

Je suis capitaine ce soir

*Don't be late
We'll go there together
Right on the river
But I'll be cold*

Le cœur en fête

Je pars je pars

Et si tu le souhaites

Viens sous mon sweater

Ce soir ce soir

Lights are gold...

Je m'en fous je m'en fous je m'en fous je m'en fous je pars (bis)

*Never say never
Under my sweater
Make it better
Lights are gold*

*The lights are gold
Never say never
Under my sweater
Look at the river*

*The lights are gold
Never say never
Under my sweater
Look at the river*

*Don't be late
We'll go there
together
Right on the river
But I'll be cold*

*Never say never
Under my sweater
Make it better
Lights are gold*

Le cœur en fête

Je pars je pars

Et si tu le souhaites

Viens sous mon sweater

Ce soir ce soir

Lights are gold
